Invitation to Sponsor and/or Exhibit

Dear Sponsors and Exhibitors

The Australian Society of Otolaryngology Head & Neck Surgery (ASOHNS) 2012 Annual Scientific Meeting in Adelaide promises to provide an exciting and memorable meeting.

On behalf of the Organising Committee, it is with great pleasure that I extend a very warm welcome to you and invite you to sponsor and/or exhibit at the 62nd ASOHNS Annual Scientific Meeting at the Adelaide Convention Centre from 31 March – 4 April 2012 with satellite workshops on 31 March and 4 April.

Under the theme of “Global Perspectives” an all encompassing program has been planned to deliver as broad as possible views in all aspects of our specialty, as well as encourage interaction with an outstanding international and Australian faculty.

The Scientific Program for Adelaide 2012 will cover contemporary and controversial issues such as robotic surgery, implants, balloons, endoscopic skull-base surgery, aboriginal ear disease, multi-level sleep surgery and surgical governance.

Our key-note speakers - Professor Eric M Genden, USA, Associate Professor Edward M Weaver, USA, Professor Rodney J Schlosser, USA, Professor Antony Narula, UK and Professor Gerard O'Donoghue, UK are all excellent presenters and not afraid to engage in debate. We are also honoured to have over 15 other invited international speakers and our aim is that this will provide an academic environment where ASOHNS members can see what the rest of the world is doing, not just from a research perspective, but also clinically on a day-to-day basis.

Adelaide is indeed a beautiful and vibrant city in the autumn, abuzz during annual festivals of the arts, music as well as spectacular motor sport and thoroughbred racing events. It is also the perfect time to visit local wineries or just sample some of Australia's best wines along with local gourmet produce.

I am sure that you will enjoy this exceptional meeting and encourage you to attend. It is a great opportunity for sponsors and exhibitors, while welcoming the hospitality of Adelaide in 2012.

Dr Darcy Economos
 Convenor

Venue

Adelaide Convention Centre
 North Terrace, Adelaide, South Australia

The Adelaide Convention Centre is unique because of its ideal location within the city precinct area. It is only minutes from the city centre and within walking distance of restaurants, shops and a range of accommodation and entertainment facilities.

Exhibition Floor Plan

The attached floor plan has been designed to ensure good visibility and access to all exhibition booths. Maximum traffic flow will be encouraged by the strategic placement of catering stations at key points in the exhibition areas, as well as through constant referral.

Meeting Organisation

Consec – Conference Management is managing the exhibition and trade exhibition supply company Adelaide Expo Hire, has been contracted to supply all exhibition facilities.

Exhibition Floor Plan

Please note: should the Trade Exhibition Floorplan require expansion, retraction or alteration, the Meeting Organisers reserve the right to make the necessary changes.

Ten Reasons to Exhibit at ASOHNS 2012

- Meet new buyers and develop a quality database
- Develop a personal and direct relationship with your clients
- Show your full product range in real life rather than a catalogue. Live events provide the best possible interactive marketing platform
- Let buyers use all five senses to gain a full appreciation of your product
- Overcome objections and accelerate the buying process
- Display your products and services to key decision makers
- Raise your profile in the industry and add value to your brands
- Locate new agents and distributors for your products
- Launch a new product and generate media interest
- Get immediate feedback on your product

Why Trade Shows Work

Meet the decision makers

- 83% of all visitors to a trade show have the authority to purchase or are a decisive influence in the purchasing decision of the organisation
- 72% of all visitors intend to make a purchase either at the show or in the near future

Exhibitions are effective because...

- 54% of visitors come specifically to see new products and services
- 48% come for information
- 40% come to keep updated with technology
- 15% come to make new business contacts
